Dear Wildlife Rehabilitation Program Mentor,

Please find enclosed a letter that I have sent to all registered apprentices who have completed the minimum one year apprentice period. If one or more of your apprentices meet this criteria, you may be contacted regarding the required letter of recommendation. If you feel the apprentice has obtained the skills and knowledge necessary to rehabilitate wildlife, I encourage you to write such a letter so that we can issue the appropriate permit.

I also want to thank you for taking the time from your busy schedule to be a mentor and pass on your knowledge and skills to persons seeking to become wildlife rehabilitators.

If you have any questions regarding this initiative to license additional rehabilitators, please call Amy Wells at 609 292-2966.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry Herrighty".
