

Certified Animal Control Officer Course

Mercer County Community College

All Saturdays September 24 – November 12, 2011

Mercer County Community College is now offering the *Animal Control Officers Course* approved by the New Jersey Department of Health and Senior Services. This course meets the requirements of N.J.A.C. 8:23A-2.2. Successful completion of this course is required in order to be appointed as an Animal Control Officer by a New Jersey Municipality. Additionally, this is the only Certified Animal Control Officer Course whose graduates are also certified by the American Red Cross for Pet First Aid and in Incident Command Systems 100 and National Incident Management 700 by the National Wildlife Fire Coordinating Group. Enrollment is open to any person 18 years of age or older. The dress code for this class is business casual. There is no requirement for prior experience or training to attend this course. Anyone interested in animal welfare personally or as a profession should attend.

The course will be held on seven Saturdays, September 24 through November 12. There will be no class on October 8. Classes will be held from 9:00 am to 5:00 pm each day. Completion of the course requires attendance at all classes. In addition to this classroom component participants must arrange for and complete a 20-hour field training component.

Tuition for this program is \$789, which includes all materials. To register, contact Mercer County Community College at 609-570-3311. Contact Career Development Institute at 732-821-6997 with any additional course content or certification questions you may have.
